

January 3<sup>rd</sup> 2022

**Announcement:**

The US Renal business of **Mar Cor Purification** is now part of **Evoqua Water Technologies LLC**  
*New Business and Banking Information*

Dear Valued Customer,

Evoqua Water Technologies LLC has acquired the US Renal business of **Mar Cor Purification** as of January 3<sup>rd</sup>, 2022. We will continue to provide high-quality solutions and services, bringing value to your organization as a trusted partner.

Sales tax exemption certificates provided to Mar Cor Purification are no longer valid. New sales tax exemption certificates need to be issued to **Evoqua Water Technologies LLC** for all applicable states and submitted to [taxdox-acquisitions@evoqua.com](mailto:taxdox-acquisitions@evoqua.com) in order to maintain your exemption status.

If you have 'Mar Cor Purification' as a supplier now in your Vendor Master, change the name to 'Evoqua Water Technologies, LLC'. In addition, you must change the banking information to what is shown below.

**If you have 'Evoqua Water Technologies, LLC'. set up as a vendor now, make NO changes in that vendor master, it will remain as valid for the non-Renal / Mar Cor activity.**

For further questions please contact [AR@mcpur.com](mailto:AR@mcpur.com)

All ongoing and future purchase orders for the US **Renal / Mar Cor business** should be made to the newly named vendor **Evoqua Water Technologies LLC** and submitted to your current contact/salesperson.

The preferred method of payment is ACH with invoice level remittance instructions included in your CTX ACH payment. By including the invoice number using an CTX format within your ACH will allow quick and accurate credit to your account.

| ACH/Wire Details                                                                                                                                                                  | Check Remittance Information                                                                       |
