

# 2023 TRAINING CLASSES

## GENERAL INFORMATION

Attend our specialized, yet flexible, hemodialysis water treatment system training program to ensure you and your team feel confident and in control of operating each machine independently. In-depth courses range from a one-day to a four- or five-day program, depending on the equipment covered. Seating is limited, so visit us at [mcpur.com/dialysis/training](http://mcpur.com/dialysis/training) today to sign-up.

## CLASSES INCLUDE:

- Water System Components
- RO Theory & Fundamentals
- Cleaning & Disinfecting Issues
- Bacterial Treatment Concerns
- Hands-on Training
- Servicing a Water Treatment System
