

Dear Valued Customers,

The following information is being provided in accordance with the California Safe Drinking Water and Toxic Enforcement Act of 1986: Proposition 65 (Prop 65) in connection with products you might purchase from Evoqua Water Technologies.

The State of California made Prop 65 fully effective in August of 2018. This regulation requires clear and reasonable point-of-sale warnings on products sold in California about chemicals used in manufactured and/or purchased products identified on the Prop 65 Chemical List. These chemicals are recognized by the State of California to cause cancer, birth defects, or other reproductive harm.

**WARNING:** Certain products can expose you to chemicals known to the State of California to cause cancer and/or birth defects or other reproductive harm. For more information, go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

Chemical	Uses	Products
Vinyl chloride	Plastics	<ul style="list-style-type: none"><li>• Reverse Osmosis Systems</li><li>• Pretreatment Systems</li><li>• Distribution Pumps and Piping</li><li>• Filtration housings</li><li>• Fluid Delivery and Transfer Systems</li></ul>
Nickel (metallic)	Stainless Steel	<ul style="list-style-type: none"><li>• Reverse Osmosis Systems</li><li>• Pretreatment Systems</li><li>• Distribution Pumps and Piping</li><li>• Filtration housings</li></ul>

While the warning is only required in California, Evoqua Water Technologies has initiated the use of Prop 65 labeling for all known products to help ensure compliance. Please be advised the warning does not indicate products you have purchased or are currently using are unsafe. Many of our products have been cleared for market having been determined to be safe and effective by the United States Food and Drug Administration.

For additional information, please use the link [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov). You may also contact your local Evoqua representative should you have further questions or concerns.

We appreciate your business and look forward to serving you in the days ahead.
